To Whom it May Concern:

Pullman Voters will be asked to consider approving a Pullman School District School Construction Bond on the February 12, 2013 ballot (ballots will be mailed out on January 25, 2013). The bond will address **two** facility needs: 1) correct deficiencies and make improvements to Pullman High School, and 2) expand the number of elementary classrooms.

We would like to offer you and your members an opportunity to learn more about the upcoming School Construction Bond. If you are interested in hosting Superintendent Sturm for an informational session at your church, please contact the District Office at (509) 332-3581.

Sincerely,

Shannon Focht
Assistant to the Superintendent
Pullman Public Schools
